These cards were created on April 25, 2024 on my YouTube Channel "The Stamp Camp". With just one 12 X 12 sheet of the Delightfully Eclectic Designer Series Paper you can create all four of these cards. These cards are perfect for any occasion you have coming up and with this particular paper print you can use both sides to your liking.

This is not a step by step tutorial but the measurements for the cards and designer series paper. You can watch the video to see how to assemble your cut pieces.
