Measurements:

- Card Base: 1 sheet Thick Basic White 8 ½" x 11" (see instructions on how to cut below)
- Layer 1: 2 pieces Garden Green 4" x 5 ¼"
- Layer 2: DSP Sweetest Christmas and Festive Foils 5" x 3 ¾" – 1 piece of each
- Belly Band: Garden Green 1" x 11"
- Belly Band circle adornment: Real Red Glitter paper and piece of Vellum at least 3" x 3"; DSP Lights Aglow red piece at least 2 ½" x 2 ½"

Instructions:

- Cut card base using sheet Thick Basic White 8 ½" x 11" - score at 4 ¼" on the shorter 8 ½" side and 5 ½" on the longer 11" side. Cut diagonally corner to corner using a paper trimmer. You will have 2 card bases. Crease card front well.
- Cut layer 1 Garden Green and layer 2 DSP layers diagonally using paper trimmer.
- Attach DSP layer to Garden Green layer then attach to card front. Refer to photo.
- Die cut 2 candy canes from DSP.
- Die cut Real Red Glitter paper using circle die that measures approximately 2 11/16".
- Die cut vellum scalloped circle with die that measures approximately 2 ½".
- Die cut Lights Aglow DSP with circle die that measures approximately 2 1/8".
- Score belly band at 3 ½" and 7 7/8" – add adhesive to overlap area of belly band.
- Assemble all the die cut circles for belly band and then add 2 candy canes referring to photo. Slide belly band over card.
